MSE BRAND FEATURES & BENEFITS

Ideal for workgroups with heavy printing environments looking to increase productivity.

MSE approved this product using the markets most exhaustive testing protocols, including: environmental stress testing, accelerated aging testing, shipping simulation, and ISO 19752 testing.

OEM INFORMATION

Released in May 2016, the S5830 series replaces the B5460 printer series and is designed for high volume workgroups.

Every aspect of our MSE brand products, from quality and reliability to aesthetics and environmental impact, is thoroughly analyzed on an ongoing basis. We look for areas of improvement beyond the industry standard and create ground-breaking technologies to keep pace with OEM design. The result is Your Best Alternative to the OEM.

Ensuring long-term quality and reliability is the foundation of customer satisfaction. We understand that without strict adherence to quality standards, you simply cannot have a product that is competitive to the OEM. Our commitment is ensured by the most rigorous 5 step QC process in the industry.

ISO 9001:2008 certification is a global standard that the world's leading companies use to establish quality management system. ISO 9001:2008 connotes quality to global consumers and MSE brand adheres to these standards and strives to continuously improve, therefore providing the best customer experience.
